YOUTH SIGN-IN/SIGN-OUT POLICY

It is the policy of the local Chapter of Delta Sigma Theta Sorority, Incorporated (the "Chapter") that all youth participants, members, other volunteers, and visitors must sign in and out of its Youth Initiative Program ("Program").

The required sign-in/sign-out procedures are as follows:

- The chapter shall maintain and use a sign-in log that reflects the following: name of the youth initiative; the date; the time in and the time out; and the names of the participants, with a column for the participant and visitors to check her/their status (as member, youth, volunteer, or visitor). The form should distinguish whether a member is assisting with the Program or is a visitor/observer.
- Only authorized persons (those identified in writing) will be allowed to pick up a
 participant from the Program. Volunteers shall refuse to release a participant to any
 person, whether related or unrelated to the youth, who has not been authorized, in
 writing, by the parent or guardian to receive the youth.

One of the following procedures shall be observed during departure and return:

- a. Parents or an authorized representative will sign out youth.
- b. Older youth who have written parental permission will be allowed to leave the program on their own. Members will establish a system where the youth check themselves out with an approved volunteer; the approved volunteer will ensure that the youth signed out and initialed the attendance sheet.
- c. When Chapters provide transportation to off-site sponsored events, members will develop and implement a system to ensure that all youth participating for the day board the correct bus or other vehicle at the time of departure to and return from a scheduled activity.

Failure to pick up your child at the conclusion of a session or activity will result in contact being made with the local police department and/or child protective services.

If a parent or guardian wishes to arrange alternative transportation for their child to attend an off-site activity, the youth may join the group at the event or activity, but the Chapter assumes no responsibility or liability for the youth participant for any non-chapter-sponsored activity or transportation.

It is Delta's policy that Chapters must undertake every reasonable step to prevent exposure of youth participants to undesirable materials on the Internet. - A. Chapters should use an Internet Provider or software that blocks access by:
 - Filtering sites by a grading process, and
 - Filtering sites by language content and prohibit sites with unacceptable vocabulary.
- B. Chapters must strictly supervise Internet usage:
 - Adults must strictly supervise youth participant's Internet activity, and there should be no searching of the Internet without a supervisor checking periodically during use and reviewing the sites accessed after a youth logs off.
 - Install appropriate language filtering software (e.g., Net Nanny).

4. Intentional Access of Prohibited Materials by Youth

Chapters shall explain clearly and firmly to the youth that they are prohibited from intentionally accessing prohibited material on the Internet. The youth also must be informed that if she/he violates this policy, she/he will be disciplined, and her/his parents or guardian will be notified. To avoid these problems, Chapters should adopt the following practices:

- A. Use an Internet e-mail service that guarantees the bona-fide nature of e-mail communicants and that vets youth's e-mail for undesirable content.
- B. Depending on the circumstances and the age or maturity of the youth, allow youth to read e-mail messages only when an adult is present or when the messages have been previewed by an adult.
